EMAIL TRANSMISSION - 8/16/05
Information Bulletin No. MT-2005-066

To: Field Managers

From: Deputy State Director, Division of Resources

Subject: Fiscal Year (FY) 2005 Cultural Resource Management (CRM) Program
Annual Report DD: 09/01/2005

Please find attached the request from the WO for completion of the Cultural Resource Management (CRM) Program Annual Report (Attachment 1). As in previous years, the report represents the collective accomplishments of the CRM Program for a given fiscal year. It also serves as a component of the reporting requirements for the National Programmatic Agreement.

The report is due to this office by September 1, 2005. As with last year's report, the Office of Management and Budget and Department of the Interior have accelerated the schedule for submission of this data.

Field Offices are asked to: (1) Summarize major annual accomplishments in the CRM program (use digital photographs, if applicable), (2) describe public outreach efforts, (3) identify Challenge Cost-Share Agreements and include details on BLM and recipient contributions, (4) complete the LOOT forms for your office, (5) list any newly registered National Register Properties, and (6) complete Section VI.-Enforcement of the annual report. A final component of the annual report must include, as a separate submission of the report, a full account of the number of fieldwork authorizations issued by the office. As part of that identification effort, field offices will need to identify the number of authorizations issued to each consulting firm; e.g., MT-020: Field Research Services, 5 Authorizations.

In addition, to the items identified here, we will also need all of the data required for the annual report to the SHPO. That includes a list of projects by project name and number where determinations of eligibility and effect were made. Also, identify, if based on determinations of effect, mitigation measures that were implemented under the standard provisions of the protocol.

Finally, identify all projects or programs that your field office consulted on using the case-by-case provisions of the protocol; e.g., Undaunted Stewardship projects. This information is due by October 10, 2005. Please use the attached format for reporting this data (Attachment 2).

If you have any questions regarding the annual report, contact Gary Smith at 406-896-5214.

Information Bulletin No. 2005-139

To: All State Directors

From: Group Manager, the Division of Cultural, Paleontological Resources & Tribal Consultation

Subject: Fiscal Year (FY) 2005 Cultural Resource Management (CRM) Program Annual Report
DD: 09/12/2005

The Washington Office (WO) is again requesting the assistance of all the Bureau of Land Management (BLM) Field Offices in completing the CRM Program Annual Report. The BLM is required to compile this information to comply with the Archaeological Resources Protection Act of 1979 (P.L. 96-95; 93 Stat. 721; 16 U.S.C. 470aa et seq.) and the National Historic Preservation Act of 1966 (P.L. 89-665; 80 Stat. 915; 16 U.S.C. 470). The data is assembled and submitted to the National Park Service (NPS) to enable them to complete the "Secretary of the Interior's Report to Congress on Federal Archaeological Activities." The data is also used to complete the Public Land Statistics (PLS), the Chief Financial Officers/Stewardship Assets and the Federal Land Policy and Management Act reports, "Public Rewards from Public Lands" report, the Department of the Interior's (DOI) "Performance and Accountability" report, as well as occasionally respond to Congressional inquiries.

Additionally, Executive Order 13327 of February 4, 2004, on Federal Real Property Asset Management, requiring all executive branch departments and agencies to develop and implement asset management plans, defines historic properties as Federal real property and requires reporting of these assets. There are categories of historic status that will be tracked in what is called the "Federal Real Property Profile," as the BLM moves towards implementation of the Financial and Business Management System (FBMS).

The Office of Management and Budget and the DOI continue to have an accelerated schedule for submission of the combined Chief Financial Officers/Stewardship Assets. Because of this, WO-240 is asking States to submit their CRM annual reports, consisting of numerical data and narratives, no later than September 12, 2005. The annual reports should summarize accomplishments achieved as of the end of August 2005.

The BLM State Offices are asked to complete the attached questionnaire (Attachment 1) and spreadsheet (Attachment 2), as well as provide information in narrative or tabular form, according to the following headings. Please keep your responses short and concise.

State Highlights. Summarize major annual accomplishments in the CRM program, including implementation of the National Programmatic Agreement, Native American coordination and consultation, collections management and Native American Graves Protection Repatriation Act (NAGPRA) inventories, major inventories and excavations, CRM publications and brochures, outreach efforts, etc. The States should provide detailed information (i.e., 2-3 paragraphs) on their top 4 or 5 accomplishments, along with graphics to illustrate the work completed.

On the less significant work, all States should limit the information provided to short bullets.

Public Outreach. Discuss your State's efforts at promoting public education and awareness of the Bureau's cultural heritage. The BLM's Project Archaeology partner, Montana State University, will collect Project Archaeology information separately.

Cooperative Management Agreements/Challenge Cost Share Projects. Provide a tabular summary of reporting year cooperative management agreements and challenge cost share projects. Calculate both the BLM and the cooperator input (e.g., money, staff time, volunteer time, materials, etc.) Briefly describe the work accomplished (e.g., inventory, excavation, analysis, outreach) and its location (e.g., name of site or locale where work took place). Colorado should describe the Anasazi Heritage Center's accomplishments in a separate attachment.

LOOT Forms. Complete the NPS Listing of Outlaw Treachery (LOOT) forms (Attachment 3) for any archaeological looting incident.

National Register of Historic Places. Please update your State's list of National Register properties.

Section VI—Enforcement. States are required to collect data on archaeological enforcement and prosecutions from their Field Offices and compile it for their States. Please coordinate, as necessary, with your Special-Agent-in-Charge in the completion of this section.

The reporting unit is each State Office. Please ensure internal consistency with data provided in previous fiscal years.

A copy of the consolidated CRM Report for FY 2004 can be found on the Division of Cultural, Paleontological Resources & Tribal Consultation Intranet website at <http://web.blm.gov/internal/wo-200/wo-240/CRM.htm>. Information on the FY 2004 CRM cost share accomplishments and BLM

National Register of Historic Place listings through the end of FY 2004 also can be found at this website, along with the CRM annual report form. All of these documents can be printed.

Any questions on the report should be directed to Richard Brook at (202) 452-0326 or by e-mail at rbrook@blm.gov.
